

Rapid45™

EZ PASS-THROUGH RJ45

Rapid45™ is proud to bring you a new EZ-style pass-through RJ45 connector at an unmatched value. All the features you demand for your basic data and security installations in one Cat5e/Cat6 compatible connector. And the compact cut, strip & crimp tool makes terminations clean and simple.

- Works with Cat5e and Cat6 cable
- 50µm hard gold-plated contacts
- UL 94VØ fire rating for plenum use
- Meets ANSI/EIA/TIA/TAA specs
